O R D E R

On February 28, 1989, Hardin County Water District No. 1 ("Hardin County No. 1") submitted a motion to extend until March 13, 1989 the period in which it was required to respond to informational requests of the Commission and Intervenor. In support of its motion, Hardin County No. 1 stated that the informational requests of the Attorney General and Joseph Janes were quite extensive and were not received until February 28, 1989.

This Commission is of the opinion that such an extension would seriously undermine the procedural schedule in this case and, therefore, finds that Hardin County No. 1's motion should be denied.

This Commission realizes that under the present circumstances Hardin County No. 1 will have difficulty submitting its response to the information requests by March 6, 1989. Therefore, the Commission is of the opinion that Hardin County No. 1 should be granted an additional 3 days in which to prepare and submit its responses.

Should any of the Intervenor believe that this extension will prejudice the ability of their witnesses to timely submit their testimony, they may move for an extension of time for filing of such testimony.

IT IS THEREFORE ORDERED that:

1. Hardin County No. 1's motion to extend until March 13, 1989 the time in which to submit its responses to the informational requests of the Commission and Intervenor be and it hereby is denied.

2. Hardin County No. 1 be and it hereby is granted a 3 day extension until March 9, 1989 to submit its responses to the informational requests of the Commission and Intervenor.

Done at Frankfort, Kentucky this 3rd day of March, 1989.
